

# World Baptist Fellowship Mission Office

Serving local churches and their missionaries

1/23/2025

To whom it may concern,

It is our privilege to introduce to you the Joshua McClure family, missionaries to Micronesia, CNMI (Commonwealth of the Northern Mariana Islands). Bro. McClure is a third-generation missionary who grew up on the mission field and not only benefited from the ministry experience but also accepted God's call on his life for missionary service.

Bro. McClure was approved as a WBF missionary in 2016 and was later introduced to Amanda who was serving alongside a missionary family. Bro. Joshua and Amanda were married in 2017 and left for the mission field in January of 2019. God has used them in a mighty way their first term on the field. They are raising their four children in the nurture and admonition of the Lord, and they serve faithfully as a family. They are sent out of New Testament Baptist Church in Pantego, Texas. Dr. David Bryant is their pastor. Bro. and Mrs. McClure agree with our policies as outlined in our practices and principles and understand the fundamentals of the faith concerning indigenous church planting. Both have proved to be sincere in God's calling on their life, and exhibit godly character, personal discipline, and compassion for reaching lost souls. It is a blessing for us to partner with them and their sending church in reaching lost souls in the Northern Mariana Islands.

They have had four additions to their family since raising support for just the two of them on deputation over 6 years ago. They will need to raise some additional support before returning to the field for their second term of service. We ask that you prayerfully consider partnering with them through both prayers and financial support.

If we can be of any assistance to you in any way as you partner with the McClure family, please let us know.

Thank you for taking interest in the McClure family and their burden for the people of Micronesia.

Joey Bacon  
Mission Director
