Serving local churches and their missionaries

To whom it may concern,

It is our privilege to introduce to you Mr. Joshua McClure, missionary to Micronesia, CNMI (Commonwealth of the Northern Mariana Islands). Bro. McClure is a third generation missionary who grew up on the mission field and not only benefited from the ministry experience, but also feels called to missionary service.

Bro. McClure is sent out of New Testament Baptist Church in Pantego, Texas. Dr. David Bryant is his pastor. Bro. McClure attended our Missionary Candidate School in July of 2016 and was approved as a WBF Missionary in August of 2016. He agrees with our policies as outlined in our practices and principles and understands the fundamentals of the faith concerning indigenous church planting.

We believe Joshua McClure to be sincere in pursuing the call God has placed upon his life. He has exhibited godly character, personal discipline, and compassion for reaching lost souls. It is a blessing for us to partner with him and his sending church in reaching lost souls in the Northern Mariana Islands. We would ask that you prayerfully consider partnering with him as well through both prayers and financial support.

If we can be of any assistance to you in any way as you partner with Bro. McClure, please let us know.

Thank you for taking interest in Bro. Joshua McClure and his burden for the people of Micronesia.
